Akshay Sharma

Frontier AI-Native Product Manager | IIT KGP · IIM K 10+ yrs across
Microsoft, EY, L&T, ADP | Building enterprise AI products from idea
to production

Hyderabad, Telangana, India

Summary

I build AI products that move from demo to production. Across Microsoft, EY, ADP, L&T, and Brane AI, I have worked on AI, cloud, data, and SaaS products across enterprise environments. I have contributed to products involving forecasting, cloud migration, data platforms, and AI powered workflows. My work has included improving forecast accuracy, reducing decision time, supporting enterprise adoption, and building products across complex stakeholder environments. I write about:

- AI product management
- Enterprise AI adoption
- Product lessons from production
- PM career growth

Experience

NSL Hub (Brane AI enterprises)
